**CDS Member Dr. Matthias Stein is appointed Honorary Professor at the Otto von Guericke University Magdeburg**

28.01.2020 - Dr. Matthias Stein, Chair of the research group for Molecular Simulations and Design at the Max Planck Institute Dynamics of Complex Technical Systems in Magdeburg, was appointed Honorary Professor for Computer Protected Chemistry at the Otto von Guericke University Magdeburg.

The certificate of Dr. Stein's appointment was awarded by President Prof. Dr. Jens Strackeljan on 23rd January 2020 in the presence of Prof. Dr. Dominique Thevenin, Dean of the faculty for Process and Systems Engineering at the Otto von Guericke University (OVGU).

With the appointment as Honorary Professor, Dr. Stein's scientific competences as well as his outstanding academic teaching at the OVGU are being appreciated. Matthias Stein has been holding lectures at the university since 2012.
