

Innovation Prize 2021 for ContiVir

25.11.2021 - ContVir, an EXIST research transfer project, was awarded the "Innovation Prize 2021 of the German BioRegion". The aim of the project is to simplify, miniaturise and decentralise viral vaccines and gene therapies at the bedside.

ContiVirs' purification technology was developed by Dr.-Ing. Pavel Marichal-Gallardo as part of his doctoral thesis, under the supervision of CDS member Prof. Udo Reichl.
